

2025 TRUSTEE ELECTION UPDATE – NO ELECTIONS REQUIRED

The Fund planned to conduct elections for a Cook County Employee Trustee, Cook County Annuitant Trustee and a Forest Preserve District Trustee in October 2025. The Fund only received petitions from one candidate for each of these positions and there is no need to conduct an election for any of these positions. The persons who filed petitions will be considered ‘sole candidates’ and each will be sworn in at the Retirement Board meeting on December 4, 2025, and will begin serving their three-year terms.
