KNOW YOUR BENEFITS

MEDICARE 101

CCPF provides supplemental health insurance coverage at a reduced premium rate for members over age 65 who are eligible for Medicare. For members over age 65 who are ineligible for Medicare, the non-Medicare coverage is available.

Important Information

If you will become eligible for Medicare in 2018:

- Apply for Medicare online at **medicare.gov** or at your local Social Security Office by calling **1-800-772-1213**.
- Apply three months before your 65th birthday.
- If you are disabled, you can apply for Medicare before you turn age 65.
- Then, contact CCPF at **312-603-1200** and provide a copy of your Medicare card. You may also email us at **health@countypension.com**.

If You ARE Eligible For Medicare

- If you are eligible for premium-free Medicare Part A (hospital insurance), you must apply for both Medicare Part A and Part B (medical insurance). Your coverage with CCPF includes a prescription drug benefit, so do not apply for Medicare Part D.
- We require that you submit a copy of your Medicare card showing your reenrollment in Medicare parts A and B in order to qualify for the Medicare premium rates. We will accept either your card or a letter from the Social Security Administration certifying proof of enrollment.
- After you have enrolled in Medicare, your coverage in a CCPF Plan will convert to a Medicare supplement, and Medicare will become your primary coverage.
- For more information, visit **medicare.gov**, or call **1-800-633-4227**.

If You ARE NOT Eligible for Medicare

If you are 65 or older and did not contribute to Medicare, and are not eligible through a spouse or other means

- You must provide CCPF a written certification of ineligibility.
- You must provide upon certification of Medicare ineligibility, you can continue to receive full health benefits through CCPF.
